Good morning Capt.,

Further to our previous message, please be advised Galveston channel traffic remains suspended to all vessels since 2230 hrs

March 18th due to fog and as per latest weather forecast listed below, fog is expected to remain throughout the day today. Also note, Bolivar Roads inner anchorage space remains congested. At this time, pilot boarding schedule for your good vessel remains uncertain. We will follow up and keep you posted.

Weather forecast for March 19, 2015:

Today

Southeast winds 5 to 10 knots. Bay waters smooth. Patchy fog with visibility 1 nm or less early in the morning...then patchy fog in the late morning and afternoon.

Tonight

Southeast winds 5 to 10 knots. Bay waters smooth. Patchy fog.

Reverting with further updates.

Best Regards
